Mr. William M. Ashby,
212 Bank Street,
Newark, N. J.

Dear Ashby:

I return the budget herewith. The budget of the Urban League was approved by the Budget Committee at \$9,250. So far as the outlook in that direction is we are on easy street.

Please give me a little memorandum as to the date when the mortgage is due in order that I may begin negotiations with the Fidelity for an extension of credit to the tune of about \$800.

CB/RDB

Very truly yours,
